Easter Rally 9th - 16th April

What a great week of sunny autumn days we had for this annual rally. This year 18 of our members registered and many were present at most of the runs. The Burruga and Hill End runs were especially good days. As this event is run right on our back door I would encourage all members to sign up for it in future.

Black Dog Ride

This annual 1 day event was held on 19th March. It followed a route to Cowra and then to Canowindra and Orange. Two of our members attended.

Ariel Register Rally 17-20th March Clare Valley SA

I believe John Shanks drove down to this rally but no report is available at this time.

Red Scarf Rally 18th - 19th March

I am not aware of any members who attended this event

International Festival of Speed (previously The Barry Sheene Festival of Speed)

This was held at Sydney Motorsport Park from 23rd - 26th March. Some of our members including Nathan Taylor were racing. Nathan had an unfortunate accident while competing and has had surgery for a broken ankle and finally returned to work on 26th April.

Three Day Run 31st March - 2nd April

The run was a great success with beautiful sunny days being not too hot or cold. Most of the bikes were on full rego with Terry Jones' XS1100 being the only Historic Rego bike. There were eight riders for day 1 and 7 for the remainder of the weekend. Day 1 saw us travelling through Blayney, Woodstock, Frogmore, Boorowa, Harden and then Coolac where we met Peter Williamson. Then via minor roads to Tumut for lunch and on through Batlow, Tumbarumba and Jingellic to the Tallangatta Pub. Day 2 was a run down the Omeo Highway to Glen Valley then the Bogong High Plains Road to Falls Creek and on to Mt Beauty for lunch. The afternoon run followed the Kiewa Valley Highway to Tallangatta then the Murray River Rd to Jingellic and on to Tumbarumba for the night. Day 3 was a return trip through Tumut, Gundagai, Harden with lunch at Boorowa. The final leg followed the road through Frogmore to Woodstock then through Blayney to home. Have a look at the rear tyre on the KTM. Thanks to Peter Williamson and Rob Smith who organised the run.

If you click on the first photo a slideshow will start. Unfortunately captions are a problem as Google Photos don't provide for individual captions for each photo.

Trevor Hunt

Another member who has had an unfortunate accident is Trevor Hunt. I don't have any details on his recovery but will keep you informed as information becomes available.

Southern Motoring Group Meeting at Yass 25th March

Rob Smith attended this meeting to discuss and hear about any news on the Historic Rego System and Log Book Trial.
